**STATUS REPORT**

Plaintiff Dr. Robert Gerber (“Plaintiff” or “Gerber”), by and through his counsel, submits the following report as to his contact with Defendant.

Plaintiff reports that he has, through Counsel, communicated with a representative of Defendant, Luna Care, Inc. on several occasions since service was effectuated on January 27, 2021. Specifically, Plaintiff’s Counsel has endeavored to inform Luna Care, Inc. concerning the dates and deadlines set by the Court as well as the information that would be needed for purposes of considering settlement.

Most recently, on April 8, 2021, the undersigned counsel for Plaintiff spoke with a representative of Defendant and, on April 21, 2021 sent an email in follow up to the conversation and again requesting the information / materials discussed. In addition, counsel informed Defendant of and provided Defendant with a copy of the Court’s minute order dated April 14, 2021.

No response was received from Defendant until April 29, 2021. Unfortunately, Defendant’s response failed to provide information previously requested by Plaintiff. Nonetheless,

Plaintiff believes that settlement is still feasible and requests additional time to complete negotiations prior to moving for default.

In light of the current status, Plaintiff requests that the Court set the matter for a status in 45-60 days at which time Plaintiff will advise as to the status of settlement and, either dismiss the action or move for entry of default against Defendant.

**WHEREFORE**, Plaintiff respectfully requests that this Court enter an Order setting this matter for status in 45-60 days, and grant such other relief as this Court deems just and appropriate.

Dated: April 30, 2021

Respectfully submitted,

By: /s/ Dulijaza Clark
